ELDERS, CHILDREN, DISABLED PEOPLE ASSISTANCE

OBJECTIVE

Efficient assistance to people with difficulties.

DESCRIPTION

In the event of an emergency, aid to people with difficulties is carried out under the coordination of the “population assistance” support function activated within the Municipal Operations Centre. Rescued people will find hospitality and assistance in the areas of refuge.

EXPECTED RESULTS

Aid priority to people with physical or social difficulties.

RESULT INDICATORS

Number of people saved during an emergency.

INVOLVED ACTORS

Registry office, Civil Protection, voluntary, fire corps, healthcare givers.
