

SETTLEMENT DEVELOPMENT

OBJECTIVE

To limit land consumption, safeguarding and strengthening the social, recreational and educational-cultural role of the peri-urban system.

DESCRIPTION

The city-to-be-transformed is represented by the areas of the territory that have not been built up, the use of which is intended to achieve the settlement objectives of the spatial planning plan, with priority for the creation of new strategic nodes, services and public building interventions.

EXPECTED RESULTS

The new settlement is integrated with the already built part of the city.
